Program Description and Student Eligibility

The Legacy KidsCare Program (LKC) provides a safe, structured, caring, enriching and affordable program led by Legacy Traditional School trained and experienced staff at all thirteen campuses. LKC is designed with our busy parents in mind; LKC students remain on-site, eliminating the need for additional transportation to a child care center. LKC students participate in fun educational activities, spend time with friends and receive homework assistance (afternoon sessions). LKC is available before and after school between the hours of 6:00 a.m. and 6:00 p.m. Space is limited, and will be offered on a first-come, first-serve basis. Options for LKC Programs include:

- Part-time before school or after school
- Full-time before school or after school
- Drop-in Days
- Day Camps
- Fall, Winter, Spring and Summer Camps

Legacy Kids Care is open to any currently enrolled student, Kindergarten through eighth grade (typically ages 5-14). 4 year olds may participate if they have been accepted into our Kindergarten program and are developmentally able to care for themselves.

The Legacy KidsCare program is not a licensed child care facility as defined by Arizona Revised Statutes section 36-882. As such, your child is free to check out and leave from the program site at any time. Staff cannot physically restrain a participant who is not authorized to walk home but is trying to walk home. If your child leaves, staff will begin calling the numbers listed on the registration form.

It is very important for you to ensure that your contact information is listed correctly on the registration form.

We recommend that you read the entire LKC Policy and Procedures handbook. If you have any questions, please contact Community Education at 480-270-5438 Ext 1812 or call the campus directly.

Attendance

Children are expected to attend each of the days for which they are scheduled. If your child is going to be absent from the before school program, please notify the staff by phone at the campus LKC phone number no later than 6:30 a.m. If your child is going to be absent from the after school program, please notify the campus staff no later than 1:00 p.m. If we are expecting your child and we do not receive notification that your child will not be attending, we will initiate child locator procedures immediately. Next, we will attempt to contact you and your emergency contacts using the information provided on the Registration form. LKC phone numbers by campus:

If your child experiences a major medical emergency, 911 will be called if necessary to ensure that your child receives the best medical attention.

Emergency Contacts

It is the parent's responsibility to make sure that the emergency contact information is always updated for the LKC program. It is extremely important that we have home and cell phone numbers for parents/guardians plus at least 2 local emergency contacts.

Illnesses

Parents must inform the LKC staff when an absence is due to illness. Students cannot attend LKC with any of the following symptoms: fever within the past 24 hours, vomiting, diarrhea, undiagnosed rash, inflamed or matter-filled eyes, or head lice. A child who did not attend school due to illness will not be accepted into LKC on that day.

If your child becomes ill while attending LKC with a temperature of 100.4 or higher, vomiting, diarrhea, or the onset of a rash, a parent/guardian/emergency contact must pick up the child within the hour. Students may not return to school until they are fever free without the use of fever reducing medications for 24 hours, free of vomiting for 24 hours, and free of diarrhea for 24 hours.

Children who are ill with a contagious disease or fever may not attend Legacy KidsCare. Parents must inform the LKC staff if their child has been diagnosed with any potential infectious illness so that the school health assistant may be informed. The school health assistant is not part of LKC and will not be called for illnesses for injuries.

There is no tuition credit or refund given for sick days.

Medication Administration & Emergency Procedures

Medication is **not** given to students without prior paperwork completion and arrangements being made with the Program Instructor at the campus. If approved, only physician prescribed medication in the original prescription container may be given. The container must have the pharmacy label which includes the student's name, dosage, date and name of medication. Medication that is kept at the school, during the day, cannot be used for Legacy KidsCare. Legacy KidsCare requires its own prescription to be kept with the program. A "*Administering Medication to Students at Legacy KidsCare*" form must be filled for each medication needed.

Any unused or expired medication will be returned to the parent or guardian. Medications will be disposed of two weeks after the expiration date or a child's withdrawal from the program.

In case of an emergency, as determined by the Program Instructor or Principal, the paramedics will be called and a parent will be notified immediately. Parents will be responsible for all costs incurred in such emergencies.

Fire and Lockdown procedures will be an extension of the campus policies and procedures.

Exceptional Students

Legacy KidsCare fully complies with the requirements of Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, applicable to DHS regulations, and applicable federal, state, and local laws.

Reasonable modifications will be provided to afford a student with a disability meaningful access to Legacy KidsCare, unless it is demonstrated that the modifications would be a fundamental alteration in the nature of the program, or constitute an undue financial and administrative burden. Any student, including students with disabilities, may be removed from the program if his/her behaviors, even with reasonable modifications, are so disruptive that it puts other students in danger or negatively impacts the quality of services to other participants. If your child is an exceptional student, please complete the "*Student Record Request Release*" form to allow us to have copies of your child's IEP, 504 plan, health care plan, etc.

Early Dismissal Days

Legacy KidsCare will operate 6am-7:30am and from dismissal time to 6pm. Lunch will be provided on these days at each campus. There is not an extra charge for participation in these days for registered Legacy KidsCare participants.

Positive Discipline Program

Legacy KidsCare follows the same positive discipline approach as Legacy Traditional Schools. Positive discipline helps to create a conducive environment for learning and fun. In LKC, positive behavior is rewarded with positive reinforcement. Consequences for inappropriate behavior are clearly defined and enforced.

Step 1 – Warning

Step 2 – Removal from the group for 5 minutes

Step 3 – Removal from the group for 10 minutes

Step 4 – Assistant Principal will be consulted/removal from group

Step 5 – Documentation will be sent home/signature required

- The Assistant Principal will be consulted if there is an ongoing pattern. Administration can withdraw a student due to safety concerns, inappropriate behavior and failure to pay.

Parent Involvement

Legacy Kids Care feels that active parent involvement and support is critical to the success of the program. This support may include helping during the before and after school programs, assisting during day camps, ½ days, or the summer academy, and chaperoning field trips. In addition, volunteers can help prepare materials from home. In order to volunteer on campus or chaperone field trips, volunteers must:

- Be a parent/guardian or sibling to an LKC student, and be over the age of 18
- Have a volunteer fingerprint clearance (submit every 2 years)
- Complete the Volunteer Application
- Sign in at the front desk and with the LKC Instructor
- Follow appropriate dress code requirements

Please contact your LKC Instructor for information regarding volunteer applications.

As such, your child is free to check out and leave from the program site at any time. Staff cannot physically restrain a participant who is not authorized to walk home but is trying to walk home. If your child leaves, staff will begin calling the numbers listed on the registration form.
