**Habitual Disciplinary Problem; Suspension and Expulsion**

NRS 392.4655 Conditions under which pupil deemed habitual disciplinary problem; plan of behavior to prevent pupil from being deemed habitual disciplinary problem.

1. Except as otherwise provided in this section, a principal of a school shall deem a pupil enrolled in the school a habitual disciplinary problem if the school has written evidence which documents that in 1 school year:

- (a) The pupil has threatened or extorted, or attempted to threaten or extort, another pupil or a teacher or other personnel employed by the school;
- (b) The pupil has been suspended for initiating at least two fights on school property, at an activity sponsored by a public school, on a school bus or, if the fight occurs within 1 hour of the beginning or end of a school day, on the pupil's way to or from school; or
- (c) The pupil has a record of five suspensions from the school for any reason.

2. At least one teacher of a pupil who is enrolled in elementary school and at least two teachers of a pupil who is enrolled in junior high, middle school may request that the principal of the school deem a pupil a habitual disciplinary problem. Upon such a request, the principal of the school shall meet with each teacher who made the request to review the pupil's record of discipline. If, after the review, the principal of the school determines that the provisions of subsection 1 do not apply to the pupil, a teacher who submitted a request pursuant to this subsection may appeal that determination to the board of trustees of the school district. Upon receipt of such a request, the board of trustees shall review the initial request and determination pursuant to the procedure established by the board of trustees for such matters.

3. If a pupil is suspended for initiating a fight described in paragraph (b) of subsection 1 and the fight is the first such fight that the pupil has initiated during that school year, or if a pupil receives one suspension on the pupil's record, the school in which the pupil is enrolled shall provide

Definitions

**A.** In this chapter, unless the context otherwise requires:

**1. "Deadly weapon"** means anything that is designed for lethal use. The term includes a firearm.

**3. "Explosive"** means any dynamite, nitroglycerine, black powder or other similar explosive material, including plastic explosives. Explosive does not include ammunition or ammunition components such as primers, percussion caps, smokeless powder, black powder and black powder substitutes used for hand loading purposes.

**7. "Prohibited weapon"** means, but does not include fireworks imported, distributed or used in compliance with state laws or local ordinances, any propellant, propellant actuated devices or propellant actuated industrial tools that are manufactured, imported or distributed for their intended purposes or a device that is commercially manufactured primarily for the purpose of illumination, including any of the following:

- (a) Explosive, incendiary or poison gas:
  - (i) Bomb.
  - (ii) Grenade.
  - (iii) Rocket having a propellant charge of more than four ounces.
  - (iv) Mine.
- (b) Device that is designed, made or adapted to muffle the report of a firearm.
- (c) Firearm that is capable of shooting more than one shot automatically, without manual reloading, by a single function of the trigger.
- (d) Rifle with a barrel length of less than sixteen inches, or shotgun with a barrel length of less than eighteen inches, or any firearm that is made from a rifle or shotgun and that, as modified, has an overall length of less than twenty-six inches.
- (e) Instrument, including a nunchaku, that consists of two or more sticks, clubs, bars or rods to be used as handles, connected by a rope, cord, wire or chain, in the design of a weapon used in connection with the practice of a system of self-defense.
- (f) Breakable container that contains a flammable liquid with a flash point of one hundred fifty degrees Fahrenheit or less and that has a wick or similar device capable of being ignited.
- (g) Chemical or combination of chemicals, compounds or materials, including dry ice, that is placed in a sealed or unsealed container for the purpose of generating a gas to cause a mechanical failure, rupture or bursting of the container.
- (h) Combination of parts or materials that is designed and intended for use in making or converting a device into an item set forth in subdivision (a) or (f) of
