

Before and After School Care for Legacy Traditional School Students

The Legacy KidsCare Program (LKC) provides a safe, structured, caring, enriching and affordable program led by Legacy Traditional School experienced staff. LKC is designed with our busy parents in mind; LKC students remain on-site, eliminating the need for additional transportation to a child care center. LKC students participate in fun educational activities, spend time with friends and receive homework assistance (afternoon sessions). LKC is available before and after school between the hours of 6:00 a.m. and 6:00 p.m. Space is limited, and will be offered on a first-come, first-serve basis.

- Open to all enrolled students in grades K-8
- Available on a full-time, part-time, or drop-in basis
- Qualified staff will guide students through homework time, educational activities and supervised play
- LKC strives to maintain a 30:1 child-to-staff ratio
